Since 1998, Raw Hire has grown to be a leading provider of long term vehicle hire in Western Australia and Australia wide with some important differences.

With an extensive mine specified fleet of vehicles, Raw Hire offers a diversified, adaptable solution with a comprehensive range of aftermarket safety and site specific accessories. Offering passenger and specialty vehicles, Raw Hire is your “one-stop-shop” for hire of trucks, buses and light commercial vehicles.

Born of the Pilbara, we understand the challenges of the remote, harsh environments and seek to overcome these with flexible solutions and a ‘whatever it takes to get you there’ attitude. This attitude has allowed the company to expand operations across Australia and offer hire to industries including mining, civil and infrastructure, construction, oil & gas, government and many others.

Supported by a dedicated and experienced account management and technical team, Raw Hire commits to providing clients with the right equipment, at the right price and right time, backed with 24-hour emergency support.

Detailed specifications for each vehicle can be found online at **rawhire.com.au**.
