SINCE 1998

**With a ‘whatever it takes’ attitude,  
Raw Hire continues to keep projects  
moving across Western Australia  
and beyond.**

Detailed specifications for each vehicle  
can be found online at [rawhire.com.au](http://rawhire.com.au)

*Raw Hire has been a trusted name in vehicle hire and sales since 1998. We specialise in B2B fleet hire providing site-compliant, project-ready trucks, buses and light commercial vehicles.*

Born of the Pilbara, Raw Hire understand the harsh environment and compliance demands faced by resource and project-based businesses. Our strength lies in our proven experience and WA industry knowledge; this translates to practical hire and mobilisation solutions for mining, civil, construction and resource-sector businesses.

Supported by a dedicated and experienced account management and technical team, Raw Hire commits to providing clients with the right equipment, at the right price at the right time, backed with emergency support.

**B2B Site-Ready**

Customisation of vehicles for compliance and operational requirements.

**Flexible Hire Solutions**

From single vehicles to broader fleet requirements, fully customisable to suit your needs.

**Australia-Wide Mobilisation**

Capability to support projects Australia-wide.

# Vehicle Sales - Not Just Another Hire Company

Raw Hire is more than just hire. We also offer site-ready vehicles for sale, with fleet solutions that are practical, compliant and ready to get to work.
